

# Abortion and Contraception Services Price List

(As of 1 April 2025\*)

## **Abortion Services – Funded**

Abortion services are funded by Te Whatu Ora and free of charge at AMAC for healthcare eligible women who live in the geographical areas of Waitemata DHB, Auckland DHB and Counties Manukau DHB as specified by the NZ Public Health and Disability Act 2000.

The funded abortion package includes: -

- Pre-abortion consultation
- Laboratory orders
- Bedside dating scan in clinic – no formal report
- Counselling – up to two sessions, as desired, before or after
- Procedure and long-acting reversible contraception (delivered on the day or up to 4 weeks later)

In the event of a post abortion complication, it will be assessed by the prescribing healthcare professional at AMAC.

Women may choose to access some or all the recommended care, except laboratory testing which is requirement for all procedures.

## **Abortion Services – Out of Area and Private Patients**

Abortion services can be provided privately to patients who are outside of the specified “Auckland region” or who are not eligible for funded treatment at the below costs. We will ask for evidence of residency, visa status or other qualifying factors to help clarify funding.

Long-acting reversible contraception on the day of procedure or after is a separate charge – refer to contraception costs.

<b>Procedure</b>	<b>Eligible – Out of Auckland Area</b>	<b>Not Eligible - Private</b>
Pre-abortion Laboratory Tests	Funded	As per Lab Fees
Abortion Procedure - Medical or Surgical	\$1825.00	\$1825.00
Counselling – Pre or Post Abortion	**	**
Incomplete miscarriage or Non-viable pregnancy evacuation	\$1500.00	\$1500.00

\*Prices and funding criteria subject to change without notice.

\*\*Fees as provided by the Contract Counsellor at time of referral.

## **Contraception Services**

Long-acting reversible contraceptive devices are the following: -

- Intrauterine Devices such as Copper, Mirena and Jaydess
- Rod Implants such as Jadelle

LARC funding is provided by Te Whatu Ora for healthcare eligible women who live in the geographical areas of Waitemata DHB, Auckland DHB and Counties Manukau DHB as specified by the NZ Public Health and Disability Act 2000 who are not having an abortion and meet one of the following criteria:

- Māori or Pasifika ethnicity
- Hold a current Community Services Card
- Live with economic deprivation (as per the Deprivation Index 9– 10 for ADHB and WDHB residents or Quintile 4 -5 for CMDHB residents)
- Are at risk of poor outcome from an unplanned pregnancy, as a result of, but not limited to, treatment for mental health or addiction issues
